“ So many wonderful memories of our family, Roy, Dottie Butler and children, spending vacation in Canada with Uncle Whitey and family and staying at his cabin on the river in Zanesville, skiing and swimming, plus good family fun. also, just walking across the street to visit and talk.. hearing his stories. each one of us is a better person from him being in our lives. I wish I could be there to say one last good bye. You will be greatly missed Uncle Whitey, but never forgotten as you will always be in our hearts.

“*I really looked up to my Uncle Ecile growing up. I thought there was no better hunter in the world then him. He would come in for deer season with so many stories from previous hunts. He hunted places and shot things I will only dream about. He was "The Great White Hunter"! The times we hunted together at the Nap place, the old Home Place and Knob Fork. Those were hunts I will always treasure. When I shot my first buck I was 12 years old. When my dad and I got it back to the truck I looked at Uncle Ericle as proud as I could be and I asked him if I could be the Great White Hunter now? He with a big smile said its a nice buck but your not quit there yet. He loved telling that story. Every time I would go to the old home place and visit him no matter who was with me he would tell that story. I'm sure a lot of you heard him tell it. I never got tired of hearing it. All though he never gave the official title. When I started driving truck he asked me what my CB handle was? I said I kinda liked your old handle great white hunter so I decided to use it. He told me I don't use it anymore and I couldn't think of a better person to have it. That was close enough for me!*

I am so sorry that I will not be able to be there with you all. My thoughts and prayers are with you as you send "THE GREAT WHITE HUNTER" to that happy huntin grounds in the sky.

I love you all!

“ *Uncle Whitey and Aunt Thelma took me, as a 2-1/2 year old, into their already large family for several months like one of their own after my Mom fell seriously ill. The burden and strain that must have put on them never showed as I only remember feeling safe, loved and cared for. Those feelings for my Uncle and Aunt have stayed with me my entire life.*

Along with so many of our other family times together, almost every summer growing up, my family (the Butlers: Roy, Dottie, Looie, Cindy, Alice, Nina and me) would spend a couple of weeks with Uncle Whitey (and Aunt Thelma, Tom, Donna, Brenda, David and Gramps) in Plevna, Canada in cabins on the lake... fishing, swimming and hiking to other lakes. Those memories are so very precious to me, filled with so much love and laughter and fun. Times spent playing games, cooking and eating together, playing pranks, telling stories, competing with who caught the biggest and littlest fish and always laughter! I know my Dad and Mom, Looie, Gramps, Donna, precious little Susie, and so many more are in Heaven right now with Uncle Whitey, laughing and rejoicing.
