“ My condolences on the loss of Eric. I was a senior in high school when Eric was a junior, and I even tutored his brother Lee during lunch time. Eric always made me laugh. I am so glad that I got to connect with him again recently thanks to the Internet...he will be missed.

“ Eric your smiling face has been taken away from us way to soon! We have known each other for about 17 years and as the "mom" at Lowes, your were one of my boys. Through all the good and all the bad, you always treated me with respect and love. And I will never forget that beautiful smile as you walked by the office and looked in my door! RIP Eric—and I pray your family finds comfort in knowing how very much your were loved!
