“ So sorry to hear of Kip's passing. I worked with him for quite a few years at Coke. Always a good time when he was around. He was just a good guy that made us laugh and was fun to work with. He always spoke about his family and about their trips to the beach. My thoughts are with all of his family and friends at this time. Rest easy Kipper!!! We're gonna miss you at the Pop Palace.

“Wow, what a shock and disappointment to hear of Kip's death today. It's been years since I've seen him, but he's one of the characters from my youth I'll always remember. It seems like too many from his class are passing too soon. My thoughts and sympathy go out to all of his family and many friends he made during his short time on this earth.
