“ Gary, Sorry about your mom. We never have to be "grown-ups" till both parents are gone. Not only can you be thankful you stayed someone's "little boy" for so long, she also was lucky enough to have you around till the end. My thoughts and sympathy go out to you, your siblings, and the rest of your mom's family and many friends she made during her time on this earth.

“ To the Jenkins Family,

My heart goes out to all of you at the loss of your Mom. I went thru school with Gordan and Gary ... and remember your Mom fondly!

She was my helper for a week at Camp Merrie Marshall when Diana was a Jr. Scout. We had a wonderful week together ... she was up to explore anything. I know what a matriarch she was ... I know the loss is great. She had a wonderful happy life and got to know all those grandchildren and great grandchildren. She is busy sharing stories with you Dad now. Her journey here on year was super and she is on the the next adventure! You left a big hole Etta ... but you left your children the foundation to fill them with many more happy memories!

Betty Duffy - April 07, 2021 at 05:33 PM

Thank you Betty. I remember Camp Merrie Marshall very well and the wonderful times spent with her there. The long trip from the bus to the camp and she was always very chipper about it all. Even when she got home and still had to fix supper for Dad. Our family has been blessed with her and our friends around us. Suzie
