“ Although I recently met Eige, I knew she was special and I automatically loved her, just as I love the rest of the family! May Eige and Max reunite and rest in peace together. Our hearts go out to Gwen and the entire family at this difficult time. I pray that God surrounds this very loving, caring family and comforts them with his gracious love and peace.

“ Don't Cry for me.
Dont cry for me; for I am eternally free!

Don't Cry for me; as I've ascended into the arms of the King! Don't Cry for me, I still watch you sleep. I am still with you watching you, loving you and cheering you on!

Don't Cry for me; I've made it to my final resting place. It's so peaceful and beautiful! I have the unconditional love of the Lord. I am safe! I am loved!

I finished my earthy journey; but that was just the begining to an eternity! My soul is free and soaring high in the heavens above! Oh, what a beautiful site! The sounds, the serenity, the smell, the air, the touch of a crisp morning 🌿 leaf! The lights, the love I'm with God above!

I still hear your every thought and every prayer. I still wipe the tears from your cheeks. Oh how I wish you could see me now! One day again, when your earthly journey comes to an end; you'll see! His arms were stretched out for me! Ever loving arms filled with hugs and love to comfort me!

I wish you well and I wish you peace! Don't Cry for me; for my soul is eternally free! Soaring high in the heavens above! This is a love beyond all loves!

I loved you then and I love you now!!! I'm but a thought away. I will always listen and hear and be near!

With kisses from above; to you I extend my love! Dont cry for me!
