“ I am very sorry to hear of "Marie's" passing. My name is Bob Grimm and Marie and I were 3rd cousins on her Mother's side. Marie stayed at my grandmother's home in Fairmont for a time while we were attending Fairmont State.

*I remember she had a Toyota, but wasn't comfortable driving it when I was in the car with her and would make me drive.*

*Over the years we had lost touch because life took us to different places. I've always remembered her as a beloved younger sister. God's blessings on her eternal soul and the lives of her family and friends.*

“ Marie was a valued member of our Moundsville Middle School family. She taught her students the value of working hard, and always held them accountable. She prepared her students for life. She loved bringing her beloved Alpacas to school, so she could share them with her students and our faculty. She will be missed and remembered by all of us.

*Thanks,

“ *I met Marie when I began working at Moundsville, Jr. High. It was quickly realized that Marie and I shared a very intense dedication to the needs of our animal friends; thus our lasting friendship began. Over the years, Marie and I worked together to find many wonderful homes for our furry friends. Although we were both retired from education we never retired from our own little RESCUE. Our efforts to find good homes for dogs and cats continued to as recent as just this month. I feel very fortunate to have shared a friendship with this kind and dedicated soul.*
