“ Thelma, Susan, Randy, and Glenna, My rather tardy condolences to you all and extended family members. One of my childhood memories is our trip to Rehoboth and the offshore fishing trip. I hope this finds all healthy and coping as best as possible with your loss of a husband and Father. Randy "MO" Feisley

“*“Our Friend” Life is but a stopping place, A pause in what's to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, We all were meant to learn some things, but never meant to stay... Our destination is a place, Far greater than we know. For some the journey's quicker, For some the journey's slow. And when the journey finally ends, We'll claim a great reward, And find an everlasting peace, Together with the lord* Author unknown

“*Please accept our most sincere sympathy in the passing of your loved one and our friend. We have many fond memories of the days, in the Court House. Glenn always tried to kept us straight. It was a pleasure working with him, when he was the Clerk, of his township. When Thelma and Mrs. Huntsberry came along, that made the visits even more pleasant. We will be thinking of you all, in the coming days.*
