“ *Grandma...where do I begin...I can't tell you how much I adored you and how high I held you..you never once judged me in any of my decisions especially the bad ones, you always gave me strength and told me not to worry what others thought that they didnt matter and be proud of who I am..you loved me so unconditionally. I will always remeber the summers out at your farm..chasing chickens, you yelling at grandpas cows to move off the road, and the amazing breakfast you would cook..I will our talks on the phone and I will always keep your memory alive with telling stories of you to my kids. I will miss you greatly..and always hold you in my heart..an amazing woman you were but that doesnt even give you justice to the special person you were.*

*I love you grandma flo.*
