“ *Bob,
Sorry your mom, such a sweet lady. My earliest memory of Mrs. Wolfe is when she was a chaperone on our train trip to Washington , DC when Christy and I were in grade school at Sanford (I won't mention the year. LOL). However, my best memory is how nice she was when she worked at Convenient Mart. She was one of those small town people who made this world a better place. My thoughts and sympathy go out to you, your sisters, and the rest of your mother's family and many friends.*
