“ My memories are fond of Mr. Haynes, especially vivid are ones of him and Heath always throwing baseball together in the yard across their Springdale Avenue house or literally on the street—steep hill be damned. -Brad Gillenwater

“ Saddened to learn of Frank's passing. May God bless and comfort the family as only He can during these times. I have many fond memories of Frank as a classmate at Hundred High, as a roommate at WVU, and our many many baseball outings. His rising fastball gave many opponents heart ache. Our legion baseball at New Martinsville was most enjoyable as well as successes at HHS. I can see his big smile and hear his laugh to this day. Sorry that I can not be with you at this time, but I want you to know I am praying for you.

“ I am sorry to read about the passing of a great baseball man. Dedicated himself not only to his son Heath but also to many kids in Elm Grove and Wheeling Post 1. My best memory of Frank was when Heath was playing for the Warwood Reds and pitching on a terrible mound in Maynard. So Frank wouldn't think about Heath pitching on that mound so he brought out reinforcements with a bucket of dirt. Must of worked because we won that game with Heath pitching a great game. That was Frank thinking ahead. My prayers go out to the family, may your faith and the strength in God get you by in this tough time.
