

Fred Seco

August 31, 2024

Fred Seco passed on August 31, 2024. He is survived by his wife Lindy and their two children Freddie and Jackie. "Dr. Fred" loved being a doctor and fondly remembered his patients long after he retired. He also enjoyed his antique motorcycles and vehicles.

In lieu of flowers or donations, he would ask that you take a minute and hug the ones you love.

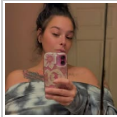

He is missed...
