I was so sorry to hear of Freddie's passing. He was always so good to Don and I when we lived back in the lane. There were times we would have never gotten out of the lane if it wasn't for him. I am sending love and prayers to Violet and the family.

I am so sorry to hear of Freddie's passing, Like Linda Watson said, I don't know how we would've survived out the lane without his help. I always thought of him as a good neighbor and a hard worker. I just regret that I didn't get to know him better. Love and prayers to the family.
