“ June, so sorry for your loss. Just the other day I was talking to Robin Capehart and we were talking about childhood friends and Fred's name came up. He was a good friend to me. A very good athlete and fun to be around. We played baseball, basketball and football together. Fred would drive his VW Beetle up Cherokee Hills to pick me up and the ride back down was always an experience. Fred never wasted any time to get where he was going. If we had seat belts back then I would of had mine on. My thoughts and prayers are with you and your family. Doug Dawson

“ A week doesn't go by where I don't see a name from my childhood in the obits. So sorry to see Fred's name added to the list. It brings back memories of us playing sandlot ball at East End, Church League basketball for Simpson at Baptist Church, and seeing Fred driving the tractor for the late Red Wilson at the East End ballfields during the hot summers of our teen years. My thoughts and sympathy go out to all of Fred's family and many friends. I'm sure he'll be missed
