“ Thank you, Steve. You are a great friend. You know we would love to see you anytime, but it wasn't necessary for you to miss work and drive all the way here. Thanks for the offer though! Thanks, too, for honoring mom's wishes to support our local dog shelter. Sorry about not responding sooner...got frustrated as this web site will only allow ONE reply A DAY. “ **Barbie:** Thank you so much for your kind thoughts and prayers. I know from Tracy that you are a very special and loving woman, with a wonderful family. Mom would have loved to meet you. She encouraged me very much in creating your "red thread" throw, although she fussed at me that I was making it much too big :). And she LOVED getting to know Sofie and seeing pictures of her in her new home! I appreciate your thoughts and prayers.
