“ Dear Frohnapfel Family, Please accept my heartfelt condolences on the recent death of your dear wife and mother. I met her many years ago when I became a part of the Aloette family. What a dynamic and caring lady. I will always remember her as someone who saw great potential in people and was always there with her special brand of encouragement. I can still recall the first time I met her... she was with another long-time consultant named "June" and the two of them together was just priceless. I will keep you all in my thoughts and prayers. With warm regards, Joan Mussmon Groh

“ Chuck...I was so sorry to hear of Arlene's passing. We all went to school together at Warwood High and grauated Class of '58, but Arlene and I first met in first grade. You may remember me better by my nickname of "Lolly" because that's what my friends called me, even though teachers called me "Lena." I remember Arlene for her pep, energy, and beautiful smile. Please accept my condolences. ..."Lolly" Mastin
