“ I was very sorry to hear of Jean's passing. I met her when I started to work in Central Office on South Main Street in Woodsfield. She welcomed me with such warmness. She was one I could look up to and learn more than I already knew. God will take her in his loving arms now and bless you with comfort. Cherish the memories — it will help.

“ When I arrived at Aimee's this morning, she turned to me and sadly said, "Grandma Frye passed away." After all this time, she was still, "Grandma Frye." Aimee always had a special affection for this sweet lady, and the minute I met her, I knew why. I heard of her long before I met her, because my mother-in-law, Lola, was her friend at work, and, again, only heard the best. We feel the sadness of your loss, and can only hope your happy memories see all of you through. Thank-you, Megan, for sharing her with Aimee.

“ To: Jean's Family Please accept our sincere sympathy in the passing of your loved one and our friend. We have many fond memories of Jean, when we worked together at the Court House many years ago.
