“ Steve, I only met you a few times when John worked for me at Windsor Crystal. Please know my thoughts and prayers are with you and your family. I very much enjoyed the ten years that John worked for me. He was a very warm individual who had his own unique way of making all of us smile (and sometimes shake our heads). I wish I would have been in town for the service. Again, please know my prayers are with you and your family.

“ Went to school with John from elementary (Central) all the way. I moved away in 1974, but I have thought of John over the years. The last time I saw him, he was riding a motorcycle through town. May God be with you all.
