“ My heart goes out to Garry's family. Garry was the reason that I learned to sing Karaoke.
For many years we would do Karaoke shows together. Karen would make sure everything was perfect and ran well and Garry and I would cut up laughing about everything. I will forever have this family in my heart. I will miss Garry so much. I will miss his friendship, his laughter and his great singing. He was one of a kind. Such a great man. RIP my Karaoke buddy.
