“ Gary was the love of my life ❤️ going on without him will be a struggle. He was my friend, my partner, my everything. I have spent over half of my life with him. I miss him something awful! I know I have to go on because life goes on but it will be very hard. I may have a smile on my face at times but the sadness and the whole in my heart will never really go away. I will love you forever 💕 I am relieved for you that all your pain is gone and now mine is just beginning. Good memories will help keep me going and the wonderful daughter we made together ❤️ Jodi

“ To thr family ,I'm truly sorry for your loss. I worked with Gary at Krouse Stamping in triadelphia and used to visit him in wheeling can and Glendale. I almost went to work with him at order. He helped me alot in my younger days. We were friends and laughed alot together. He always crossed my mind now and then. Just lost touch over the years. God bless ...
