“ Gary and his sister Sandy lived next door to our Grandparents in South Parkersburg when we were children. I and my brother Rod were frequent visitors so we played together a lot while we were young. Even though his family moved a lot for construction jobs, they were never totally out of reach, so we all stayed close till after high school. Gary was like another brother to me.

I am so glad I was able to make my "cousins" trip last November and see him. He tried so hard to make sure I was having a good time even though he had to stop and recover his breathing a lot. I did have a good time! So sad that he couldn't have had a few more years. May God bless and care for his family.
