“ I was very saddened to learn of Gary's passing yesterday. My deepest sympathy to the McDowell family and Gary's companion. Gary's father and Mother, Rex & Meryl, were lifelong friends of my Dad & Mom, Fred & Florence Richmond, who are also deceased. I remember Gary when I was a little girl looking very sporty in his golfing attire. They used to baby sit us when Mom was in the hospital. I remember sitting in a chair under the kitchen counter and playing with a stagecoach and horses for hours! I loved his parents also and have wonderful fond memories of Dad & Rex recording music and sharing many Sunday dinners with them. Again, my family sends their deepest sympathy to yours. May God bless you richly.
