“ I have many fond memories as a child of "Aunt Gary and Uncle Pug" as I ways called them growing up... I could never say it right, but they didn't care and loved me anyways. They always homes around with one another and you could see how much they loved each other every time you were around...

“ Uncle Gary what can I say as years as in holding the tears back while typing this . You were such a wonderful man , loving husband , and the most amazing uncle that any girl could ask for . I love you , you may be gone but never forgotten . I hope Aunt Pug can get threw this because you two were like two peas in a pod . Always side by side with smiles on your faces and open arms . I will never forget those hugs, and the safety that I felt when giving you one . Until we see each other again ❤️❤️❤️
