I'm so sorry your loss. Jenny was one of the kindest persons I know. I work with her many years at the Credit Union and she shared so many of her baked goodies with us. She rarely missed worked and I remember the time she put rubber bands around her boots to get better traction walking from her house to the Credit Union on a very icy day. She was so dedicated. My sincere condolences to all of the family. Prayers, Nancy Baumberger

I was so sorry to hear of the loss of your dear Mother. I'll always remember coming to Bell's store, as a kid, when I would be visiting my Gramma Emma Fiest. I'll never forget your mom's smiling face and her kindness. I last visited her, before covid, and we talked old times. She was such a sweet lady and I always enjoyed hearing from her. Sympathy, love and prayers to you and your families. Nancy Dangel
