“ I'm so very sorry to learn of George's passing. Having worked side by side with him for more than 25 years, he was one of my best friends at PPG.

I want to thank you, George, for your service to our great Country during what is commonly referred to as "The Forgotten War". Know that your service shall never be forgotten by a grateful Nation. It's because of men and women like you that we continue to enjoy our freedom and liberties today. May God welcome you with open arms as you approach the Gates of Heaven.

May you always rest in Honored and Eternal peace. God Speed, my friend.

“ *One of the happiest and most inspirational couples I have ever known. I don't remember a time I visited that they weren't rocking in their side by side recliners holding hands. A great man that will be greatly missed.*
