“ Our thoughts and prayers to George's family. We used to live on Lindsay Lane and attended the same church with him. He also led our Sunday School class, which we always enjoyed. George was a wonderful man and definitely lived his life by example. We are better for knowing him.

“ My sincere condolences in the passing of your dear father. He was my 4-H leader many years ago and I have many warm memories of his great kindness and dedication to children. Whenever i would see him over the years, he always had a smile and a story to tell. He took our club on our very first trip to Washington DC-no small feat. His faith in God was evident always. This wonderful man left the world a better place. May God comfort you and your faith sustain you. Patty (Estep) Wylie
