“ *It's been 10 months since I last posted I guess time got away from me. I still miss you more than you could imagine and I think of you everyday. Today is hard for me because it's your birthday and your not here with us.*

This is your 7th birthday in heaven, that's 7 birthdays I haven't got to hug you. I hope you have the best birthday and eat lots of cake and ice cream!

Alot has happened in this past year Mark Allen turned 3 can you believe that I have a 3 year old already. Abby turned 19 and graduated highschool, Little Carla Marie just turned 14 oh and she now has 2 horses. Mark and I have our own house now somewhere to always call home and a place for Mark Allen to grow up. You would love it! Grandma is doing good she gave us a scare when she had COVID but she pulled through. Nici and Douglas bought Peggy's old house and finally got it remodeled to move into, they've been living there for a couple years now. I wish you were here to see all of this, but I know you are always watching over us. Give Aunt Mary, Aunt Barb, Pap and Grandma Hall and Cliffie a hug from me and tell them I miss them all so much and I love them. I miss you pap please continue to watch over us and keep all of us safe I love you so much 💙 Happy Birthday and Happy Halloween 🎃

“ Hey pap I know it's been a while since I wrote on here for you, life has been busy. I've been wanting to come out and visit your grave but something always comes up. Another birthday, Thanksgiving and Christmas has come and gone. Now we're approaching another year without you here with us. This year will make 6 years since we've seen you. 6 years since I've heard your voice, hugged you and kissed you on the cheek. I always wonder what life would be like if you were still here with us. I know you are always watching over us and keeping us safe. Can you tell pap and grandma hall and Aunt Mary we miss them and love them. Could you find Amy and tell her we miss her hugs and could you tell Steve his mom loves him and he is missed by everyone. We love you and miss you so much

“ Merry Christmas Pap 🎄 this is our second Christmas without you and I really wish you were here. We finally get a white Christmas it's been a while since we had one of those. I know you will be watching over us as we open our presents and eat dinner. We will be thinking of you as we celebrate because we all know how much you loved Christmas and enjoying watching the kids open their gifts and seeing their eyes light up! We have been tracking Santa all day to see when he will finally get to us. I know he had to make a stop in heaven to give all the angels love from their families. I know you would want us to enjoy Christmas but it's not the same without you, nothing is. I miss you pap and I love you. Merry Christmas 🎄 in heaven from all of us missing you

Collene Williamson - December 25, 2017 at 12:52 AM

“ Pap today makes a year and nine months since you left us to be with the angels. Christmas is right around the corner and that makes me miss you even more. I miss you so much I feel like a piece of my heart will always be missing. I love you pap
