“ *They say that life is measured not by the amount of breaths one takes but by the moments that take ones breath away! Georgia had enough moments to fill 4 lifetimes! Starting with her two loving brothers, her five incredible children, her precious grand children and her adorable great grandchild! We were all lucky to have loved her!!!*

“ *My heart hurts hard at the loss of my beloved friend. Georgia helped me so very much with my Christan walk. She was one of the few people that was a sharpening iron to my iron. She was genuine and so caring. She now has her crown of life and I can scarcely wait to see her again.*
