“ I have been blessed to know this wonderful, fun-loving man. You had the best personality, and always had a smile on your face, even up to the end. It hasn't been that long, but long enough to love you, and to have so many great, happy memories with you and Needie and your awesome family. And even though Matt and I are not married just yet, I have and always will think of you as my father-in-law. I will miss you so very much! Thank you for letting me call you "Dad." I love you.

“ Bud and Needi were like 2nd parents to me and my brothers when we were young. Our whole family lived with them for a few months when we were building our house out on Roberts Ridge. He was a great guy, and will be missed. I remember when our home on 3rd street caught on fire and Bud was still with the fire department. I was the first one home and when I broke down he was there to comfort me. I will always remember that.

“ I'm thinking back to, oh so many years ago, at Seneca Lake and our "Lake Family" where my kids grew up with amazing people, like Bud & Needie, Ma & Pa Futrell, Blanche & Corkie, Pete & Helen Bierce and of course, Ed & Flossie. They were my kids, surrogate grandparents who watched them grow up. The memories flood back to such good times and good food! I miss those times.

*Bud was a man that could always make me laugh and walked around with a smile, flip flops and a beer. Whenever he and Needie drove past the house, he always gave a honk and a wave.*

*Kindness, most gentle man that I know. We haven't got to see much of him lately, but he was always in our hearts and will continue to be.*

*Much love and prayers for the family as they say goodbye for now to Bud.*
