“ I wish I could be there for Wanda and Chuck today. Compared to everyone else on Chestnut Ridge, I didn't know Dale nearly as long, but the impact he had on my life is huge. I am so going to miss sitting on his front porch with him listening to his stories. He was a great man and the ridge will never be the same. I'm happy to have known him.

“ Dear Wanda and Chuck,I've been thinking of you all week from so far away, and wishing that Dale could live forever. His presence was strong and solid in the lives of those who knew and loved him. He was quick to tease, and he always knew exactly when to help. His kindnesses and stories won't soon be forgotten. May God's peace be with you in the days to come. No one will miss Dale more than you will. He's one in a million.Godspeed, Mr. Gittings.
