“ Sorry to hear about Mick's passing. That's what all the neighbors called her, and my mom Betty Yoho lived right next to her. I remember her love for animals! She was a very sweet lady!

“ one of my favorite memories. she (aunt Micky)came to FI with mom(Freda) and aunt one booby bobby(Hazel) we all have nicknames in this family LOL . I had some wine coolers and beer and we where all going to the beach to watch the sun set and walk on the beach so i took paper cups because mom wanted to drink a beer and i was going to drink a wine cooler . Aunt bobby doesn't drink at all and didn't want anyone else too ,and aunt Micky like to take a sip once in awhile . so she would come over and sneak and drink of mine or moms beer. so i poured aunt micky some in a glass so she didn't have to keep hiding from aunt bobby to take a sip and when aunt bobby asked she told her it was her Metamucil ...!!! that whole week Aunt Micky drank her a cup of Metamucil in the evening with mom and I ,and just laughing so hard about aunt Bobby not knowing what we where doing. when she would be upset at me I can steal here the words, now Darlene she was always so sweet and kind ... well the golden girls are all together again playing cards I love you Mom,aunt micky, aunt Bobby and yes I spelled it that way because my aunt Tudi spelled it that way Micky...
