“ Dear Jennifer and Cynthia,

*I was sorry to hear of your mother's passing. I have many fond memories of your family living there in Northgate. My sister Lynne and I grew up across the street from you.*

*Both your parents were always fabulous neighbors and friends. I can recall trekking across your back yard to play in the creek back there, sometimes having a friendly chat with one or the other of your folks on the way. And I remember the little playhouse out there that your dad built.*

*I also have in my mind the picture of your dad's loping gait as he walked up Northgate hill. He would often drop in to share a few words along the way, and we always enjoyed that.*

*Our brother Mark was Lisa's age, and I was 10 years older, so I remember your sister Lisa and your family losing her at such a young and tender age. For a very long time there was a painting of her over the fireplace in your home, and I wondered from time to time if that was hard for you both as you grew up there. You may remember that Mark died in 1998.*

*My heart goes out to you as you grieve the loss of your mother. I hope it helps to hear a few wonderful memories of her and Perry.*
