“ Sending our sympathy to all of you at this time. We were members at Bridge St. church of Christ for a number of years and knew Amy when we were living in New Martinsville area. We keep in touch with Paolo and heard the news from him. Thinking of all of you at this time!

“ She was a true inspiration for how to live life to it's fullest. Her southern accent when she spoke will be one of my favorite memories of our conversations. I am so grateful for my beliefs because I know those we love don't go away, they walk beside us every day, unseen, unheard but always near. I drove from our home here in DC to Morgantown this summer to visit her when she was in the hospital, I remember her smile and determination to return to her home. She was unbelievable!!!

“ Amy Goddard: An example of what God explains in his word that a woman should be. If there were more like her, how pleasant life in this place would be, but in the new home it will be perfect for her and she will be at home forever. Love Fred, Sue, and the boys.
