“ Pansyl was so sorry to read the news of Ken's passing in the Wetzel Chronicle. I wanted to let you know that my thoughts and prayers are with you, Terry and the rest of the family. I have such wonderful memories of Ken - not only as one of his students when he was a teacher but also as a fellow Yoho family researcher. I feel lucky and blessed that I had the chance to know him and how much he cared for his family and the history of his family. I appreciated all the support and enthusiasm that he had for the Yoho Family Reunions. Again my thoughts and prayers are with you. Bob Coffield

“ Pansy, I just learned of Ken's passing and I hope you were prepared for this. It must be very hard to lose a child no matter how old they are...I am not able to attend his funeral as I have not been well for the past few days. Go with God. Beulah

“ Pansyl am so sorry for your loss. I know of the problems you had to encounter during his life time. He and I had communicated aboaut family history for several years. I talked to Dr Coffield late last year and he told me of the efforts you put forth as a mother. I have not lived there since 1965 but knew of most things ongoing. My cousins were so helpful when my father was ill. They were close than sibling could be in helping me whil I was ill and my parents were in bad health. Take care of your self and let your other children take care of you.Ron
