“ To the Gossett Family, I am so sorry for your loss. I have some wonderful memories with Grace and your family. She was such a wonderful mother and mother in law and grandmother to my children. She was a wonderful teacher and in her earlier days so involved in the community! I treasured my time with her many years ago. I know she is in peace and with Bill and Harry, her husband now. Thinking of all of you and praying for your families! Love,
Kimberly Gossett

“ At the time I knew her, Grace was my 7th. Grade teacher at Sherrard and was known as Miss Freshwater since she was not yet married. I remember her as a warm and friendly person and dedicated, excellent teacher, a very sweet person. Dickie Vargo (I think he had a crush on her) always volunteered to take her erasers outside to clean them. Later, I came to know her late husband and met one of her daughters. She will always be in my memory.

“ Erin, Lance and family, please know that we are keeping you all in our prayers. Grace was not just your mom, but was my friend and I will miss her. She lived a long life and has left behind so many memories. Some of which involved a big car with a heater! Those games will always be special to me with your mom and dad. God bless you all.

*Smiling warmly at the thought of an old friend.
I knew Grace for but a year back in '82, when we both met through the
good work of the VBCC - however, that one year left a mark in as
though I would know for the rest of my life, I had crossed paths with a
very, very special soul*
