“ Dear Sharon, Steve, Randy, Sandy, Karla, and families,
We are sorry to hear of your Mom's passing. I am remembering with fondness the many Sunday afternoons or evenings that we spent at your home playing with you all as our folks visited. God be with you as you remember all the wonderful times you've had together. Our prayers are with you. Love Bart and Joyce Wiggins

“ So sorry to hear about your mom's passing. We know it's never easy to lose a parent even though we know when they get older it will eventually happen. Irwin says he always felt secure with his mom at the store because they had such good neighbors who watched out for her. I always had such fun with Randy and Sandy at Sardis Elementary. It doesn't seem possible that so many years have passed since then. Remember that you are in our thoughts and prayers at this difficult time.

“ Getting to know Mrs. Grace was one of the most rewarding things I've been able to do thus far. She was a beautiful lady inside and out. She never complained, spoke softly, had a great sense of humor, a beautiful smile and a gentle laugh. It was easy to see how loved she was by all of her children and how much she loved all of you. There were many times when she'd share stories about each of you, her eyes would sparkle as she spoke and she'd smile and laugh. She was a true joy to care for. I want you all to know I will miss Mrs. Grace dearly... You are all in my thoughts and prayers. ...
