“ *Pattie and Eric,*

Anne Marie, the kids, and I are so shocked and saddened to hear of Greg's passing. Please accept our sympathies and know you are in our thoughts and prayers. I fondly remember one of my first encounters with Greg. It was the first spring after we bought our house and I was cutting grass for the first time. Unsure of where the property line was, I wondered over and asked Greg. His response: "We are real neighborly here on Greentree, so feel free to cut all the way over to my house!" I think of that story most times when I mow. He will be missed as a neighbor for sure. May God grant you comfort and peace during this most difficult time
