“ My name is Brittany greenawalt. Greg was engaged to my mother Christine Torcasi and we have been searching for him. We have been worried sick. We are truly saddened to hear of his passing. My mother is sick to her stomach and needs closure. This is an absolute shock to us, their apartment caught on fire and they got separated. They had no where to go and had no phones and lost each other. Please someone contact me so my mother can have closure. She's sick from a broken heart and I'm worried without knowing what happened to him she may harm herself. Please contact me! we loved very much. He was practically my step father and we really need to speak with his family. My number is 4124030177. I'm begging someone to contact me. Thank you.

“ I know I hardly got to know you throughout my life, but that doesn't change the fact that you're my brother. It's hard to believe that you're gone. I know you're in a safe place with grandma Kak and grandma Linda. I want you to know I love and miss you very much. ~Mariah

“ *Greg, Unfortunately we didn't ever get the time to get to know each other. We met once, talked on the phone a few times. I don't have my own stories of you, but I have heard stories from others. I have seen pictures. You were loved and appreciated. People don't often know the affect they have on others. I can say without a doubt that your life enriched others. The happy positive Greg is the one that will be remembered and cherished. You will be greatly missed.*
