“ Bonnie, Megan, Ruth and family. I was so sorry to hear about the death of you father and grandfather. I have been keeping up with his health and well being through Bonnie. Although you know his health is failing they is just no way of being prepared for the time when it come. Like i was telling bonnie today..he is well, alive and forever with his Lord and family. For that my friends find peace. Hold on to you sweet memories and look into the faces of you children and grands. I bit of him is still with you. Love you
