“ *Connie ... There are no words to ease your loss ... but know I am thinking of all of you and surrounding you with love. May the happy memories along with your faith help you deal with this loss. I still see Guy helping Noah and Jonah reroof my garage in Moundsville ... see you two at the craft fairs ... and other events. You had a very special , strong family unit. He leaves behind big shoes to fill but he also left all of you with the ability to pick up the pieces and move forward! God be with you all!*
