“ From the moment I met Annette I knew she was a wonderful human being with a lot of love in her heart. I am so sad that she has been taken from this world so young. She gave it a good fight and kept a positive attitude always! I will miss her. My heart goes out to the family and also my father who supported her every step of the way right up until the end. Through the sadness will come a sense of peace for all. Goodbye Annette. Love, Matthew
