“ *The untimely death of Bob is a loss not only to those who knew him but also to the Earth at large. He was an honorable person, one who commanded, not demanded the respect of those around him. He was uncorrupted by neither power nor money, and his virtue and honor he used to serve the Veterans of this country. Of how many other people can that be said of in this present day? He was unafraid to say "We fought for your freedoms", and he labored tirelessly for the health and welfare of his brethren in arms. Joan, may God's grace and peace be with you in this hour of grief.*
