“ It is strange how we became friends. I still remember all the laughs and long talks we had on the phone. And the time you brought Hailey and Maxine down to my grandparents house for the Memorial Day Weekend and we had to stay in my Uncles camper. You will be missed...RIP Michael, Your friend...William Henry

“ Michael... I wasn't very old when you were born. But I can still remember holding you in the church on the day of your baptism. I was so very proud to be your uncle and to be your Godfather. It was unfortunate that circumstances pulled us apart and that I never had the opportunity to see you grow into the caring man that you were. I will always regret what I missed.I know that you are at peace. I know that you are in the Lord's caring hands. Rest in peace and know that you will always be remembered and always missed. Until we meet again...Uncle Bob

“ Mike will be greatly missed by all who knew him. He always knew how to bring a smile to anyone's face. He was naturally funny and always "Happy" (sometimes rotten). The good he did will always be remembered. He's not truly gone, nor forgotten... he will continue to live on in our hearts. Rest in peace, Mike. Your suffering is over.

“ Mikey, I sit here thinking of the time we did get to spend together these past several months. I more than cherish those days. We were able to laugh together, cry together, mend our fences & yet still argue over silly things. I know I told you that I was sorry for the time lost, but I'm more than thankful that God led us back together. I'm almost positive Mum had a hand in all that! Big Brother, I'm going to miss you something awful. I try to think of good times as kids & the last bit of time we shared together. These days ahead are hard..when all I want is a big bear hug from you. I hope one of these days when the Lord is ready for me to go home, you greet me with one of those BIG BEAR hugs! I love you & Miss you. I'm glad Mallory got to spend time with you, she enjoyed it so much! I'm glad all my kids got that time with you. They will miss you. It's easy to say that there are many who will miss you so very much. You lead life one day at a time & did it with BIG idea's!

“ Mike, We go back a lot of years. There are a lot of good memories of what we did together. No words can express the love and friendship we have for you. You were a good man gone so very soon, but brought a lot of joy and laughter to everyone who knew you. Our hearts break thinking about all the pain and suffering you have been through, but you are at peace and with your mother now. Hailey, even though we haven't seen you much, we remember the day you were born, and how proud Mike was and is of you. Continue to make him proud. We will forever love you Mike and you will always be a part of our life. God Bless You.
