“ *Sorry to hear about Roy.. Seeing his name brought back memories when he was known as the "Doctor J" of the old Bingo Pinball Machines at Elites. Anytime I hear the song "Pinball Wizard", I think of those nights when Roy would be banging those machines against the wall and racking up points, often with his brother Howard and others looking on. My thoughts and sympathy go out to Mrs. Dolin, Misty, and the rest of "the Doctor's" family and many friends. He was one of the characters who I was glad passed through my life.*
