“ Uncle Ken, I just wanted to leave you with our families love and condolences. I know in time God heals all minds and hearts. I remember when all the girls sang the songs on the porch swing out on the farm and the men played the instruments that provided the music. That was real music by beautiful people we love!! Aunt Cookie liked to sing then also. I'm sure for all of us the best part was the cooking of Grandma's (great) fried chicken dinner with all the trimmings, and that included homemade ice cream!! So if you can keep it real > first is God, Love and Family!! Ken you take it slow. I know you're a man of God and knowing that "A PERSON THAT WALKS WITH GOD WILL ALWAYS REACH HIS DESTINATION." Please remember we all love you and your family and may you find comfort in the healing of prayer. Much Love To You And All Your Family!! Linda & Bill Ohle (GOD IS GOOD)

“ Ken and family, Our prayers and thoughts have been with you all and will continue, You both made a beautiful couple and you both are a wonderful model of a loving God-made relationship. Chuck and I both appreciate how you both supported us in many ways and even though we are saddened by this difficult time we are thankful and rejoicing thinking about the wonderful time she is having and that she is with our wonderful Savior and family. I miss singing beside her in the choir but smile at the thought of her singing in heaven and her memory will always be there along with many others. Our Lord is great and "what a day of rejoicing it will be when we all get to heaven" The service was beautiful and we pray for you during this time and that healing and peace come to you. In Christian Love, Amy and Chuck P.S. Notice my email address is 2morrow :) I really liked that idea of yours, it fits perfectly!

“ Ken and family, As you know Nila has always been a very dear friend to me. I am so sorry that over the last year we didn't get to see each other to much but there wasn't a day that went by that I didn't think of her. I will cherish all of the memories that I have of her. She was a beautiful lady and could not have been a better friend and Sister in Christ. We will miss her dearly, but we will hang on to all of the memories and trust in God's Promise that we will see her again someday. Heaven has gained one special angel. You all are in our thoughts and prayers, and we love you all.
