“ Dear Haught Family: I am sorry for your loss. Unfortunately I did not know Judy personally but the Prices were my grandparents' neighbors and friends, and I knew Tim when he dated my sister Gina - and the apple doesn't fall far from the tree. Even though Judy had a debilitating illness, it is still very hard for her loved ones to deal with her death. My family has had four deaths since January; it's rough. My prayers are with you at this time.
