“ It's hard to believe that it will soon be 4 years since you left us. I miss you more than anyone could ever imagine and cry silently when I am alone.I miss talking to you every night at 6. It made it feel like I was near even if I lived so far away. I will never forget all the life lessons you taught me, and believe me I listened, because I thought you were "so cool". I pray that you are at peace and with your beloved sister (my Mom) and Donnie.Thanks for loving me as if I was yours and for being Granny to Andrea and Ashley. You will always be in my heart.....I love you.
