“ Aunt Hazel and Uncle Roy were one of the happiest couples we knew. Everyone was their friends. We would meet walking around town and talk for hours. The world is a better place having them here. They will be truly missed.

“ Aunt Hazel, I miss you and Uncle Roy. We used to have such a great time when yall came to Alabama to stay with us. I remember one time I asked Uncle Roy if he would fix some ballasts in our light fixtures, he said sure. Well, he didn't realize that I had opened 3-more and the recoding studio. He said, you have lights out every where! I told him it's the same way at the other stores. He said, What other stores! When I told him he just shook his head. He asked me when the last time I had changed the bulbs and ballasts, I told him when he came down on vacation last year! I remember Aunt Irene catching me cheating at poker! Aunt Hazel, I am so glad that you will be reunited with your sweetheart. We are going to miss you, Charlie & Teresa and Family
