“ I lived my grandmother very much. She always helped me survive the stressful holidays when I was a child. I remember running around in the rain at her house. I have missed her over the years and been sad she missed out on knowing my children. To my aunts Debbie and Sue and my cousins had I known I would have been able to send flowers or something to show my support but I only just found out...not from family. I am so sorry for the loss of this woman. She was survived by more than mentioned. This granddaughter her husband and their three children are saddened by the news of this. Prayers for my sister and I as we grieve. We miss you family.

“ *Debbie and family,
It is with great sorrow that I have learned of the passing of your mother. I was very good friends with her and your Dad and John when I worked at the mine. I have fond memories of her, but now she is in a better place and is not suffering. The family is in my thoughts and prayers.*
