“ My condolences and sympathy to you all. My mother also was at Country Club Retirement Center. Helen gave me a smile that first day. She looked familiar but I couldn't place her---the library! She knew. We talked a little and always waved and grinned. I can not tell you the joy I got from watching her listen to the recorded books. My mother had listened for years but to use the earphones was difficult. I, too, saw her and mother becoming weaker. My thoughts and prayers are with you, that you have the comfort of the Lord, family and friends as I do. Pat Armstrong
