“ Dear Tom, Sarah, Jeff and Brad,
I am very sorry for your loss of your very special Mom. She was such a dear friend to our Mom! I have many fond memories of her over the years. She had such joy and was so genuine. Her sense of humor and fun loving personality made her so fun! On a serious note, when your Dad was in ICU and I was a student nurse at OVMC, I would see her in the hospital reading her bible. Even during those hard times, she was so glad to see me! She loved the Lord and people. I'm so glad that she came to our Mom's birthday parties! It was so heartwarming to see them together! I'm sorry, I can't come to Wheeling now, but please know that I am praying for you all! May God bless you with His love, grace and peace now and always.
Love to you all,

“ Dear Tom, Sarah, Jeff and Brad, My deepest sympathy to all of you on the passing of your sweet mother, Helen. I have a lot of fond memories of your mom with my mom. The laughter when the two of them got together, and how their eyes lit up when they saw one another was so touching. They were friends from age 5 to 90! I remember our times growing up on Wheeling Island together and seeing your parents. Your mom was always so happy to see me! She was a little ornery too, and full of life and laughter! Thinking of your mom and my mom in NYC together and what a great time they had together! They had some memorable times together, including the trip out West with Brad and his wife and mom's 90th birthday party. I am sorry I cannot make it to the funeral and calling hours, but I will be praying for all of you and your sweet Mom. By now, there is a bridge group playing bridge together in heaven. God Bless, dear Helen. Thinking of all of you at this time, with love. Mary Naples Stuckey
